IMPORTANT NOTES:

*Price quoted refers to Rayburn models purchased in the standard colours of Black or Cream. Special colours available at an additional cost of £300.

**Power Flue model.

***Balanced Flue model.

† The price on the electric Rayburn now includes delivery directly to site and connection to a suitably prepared site. Claret not available on these models.

Prices apply to the UK Mainland only. All prices shown are Suggested Retail Price and include VAT at 20%. A Rayburn must always be installed and commissioned by a qualified heating engineer. For a full list of Rayburn Guild authorised engineers in the UK mainland go to www.rayburn-web.co.uk

Where third party commissioning has to occur, additional costs will be incurred for travelling to remote or difficult sites, or where, once on site it is found that the installation is incomplete and commissioning cannot be carried out.
