HENLEY STOVES

Henley Stoves is one of Ireland's leading stove companies based in County Kerry with an extensive background in the stove industry. The core aim at Henley is to provide a genuine quality product at affordable prices, coupled with best in class customer service.

Our customers are our priority, so we strive to provide them with a quality experience when it comes to purchasing a new stove for their home. Henley Stove's has continued expansion as one of the leading suppliers of stoves & fireplaces in the UK, with the near completion of a new 100,000 sq. ft. distribution centre in Cambridge, bringing the facility to over 200,000 sq ft.

In conjunction with opening of our new Cambridge facility, we have also announced the opening of a new distribution centre, in Clondalkin, Dublin. The 75,000 sq ft building will stock the largest range of stoves in Ireland along with our main distribution centre of 200,000 sq. ft. at company headquarters, Tralee, Co.Kerry, Ireland.
