Who are Pevex?

Pevex Enterprises has been established for over 20 years as importers and distributors of traditional firebaskets, grates and firebacks to the fireplace industry. As the business developed fireplaces were added to the portfolio and in 2004 the first stoves were introduced to the British market. Pevex are now a major distributor of traditional and contemporary stoves distributing the Bohemia X, Newbourne, Bucklesham, Eco 30, Heta from Denmark, Invicta from France, Keddy stoves from Sweden. Over the last few years, the Serenity range of British designed and built stoves have been introduced which include many stylish and practical features offering top quality engineering and high end performance.

Within our stove collection we offer many different model types which includes everything from the classical and traditional black boxes, insets, stylish designer models right through to high quality high efficiency contemporary woodburning stoves and some boiler stove options. Indeed so wide is our collection that we will be surprised if we cannot offer a stove for your requirements.

Importantly, we now have over 100 stoves which are fully approved by Defra for use in Smoke Control Areas (SCA), giving us one of the largest collection of SCA approved stoves available from one UK supplier. We have an on-going policy of achieving further SCA approval for any new stove models that we will continue to add to our range to ensure that we meet tomorrows requirements today!

Pevex are a progressive company looking to develop and offer new and innovative heating solutions that are attractively designed, efficient and approved to meet the latest requirements. Our products are built to meet the current regulations and being mindful of possible future developments we design accordingly.

We are committed to offer you a friendly and first class level of service and advice from the first contact to make the process as smooth as possible. Deliveries are made with our own fleet of vans or supported by a national courier service to offer a fast turn-around from placement of order.

For any further questions then please contact us.

Pevex.....a name you can trust.

One stove orders will attract a minimum delivery charge of £38.

Two stoves and above will be delivered FOC

Deliveries to Scotland, the Islands, Ireland will attract additional delivery charges

Please allow 4/5 weeks for any special orders on Heta soapstone, sandstone, ceramic or thermastone models, Invicta Enamels or any special frame requirements for the Serenity stoves.

Each stove brand has different warranty information which can be found in the brochures or instruction manual but generally across all the brands is that the stoves will need installing by an approved Hetas Engineer and parts such as glass, bricks and grates are considered wearing parts and are not covered by any warranty.

4. DESPATCH Despatch dates are quoted without engagement although every endeavour will be made to adhere to the date or dates quoted. In no circumstances shall the company be liable for any loss arising from delaying despatch however caused. Time shall not be of the essence of the contract.

5. DAMAGE AND LOSS IN TRANSIT i/ All deliveries should **immediately be inspected** and if there is any sign of damage to the packaging or suspicion that the goods inside have sustained damage, the delivery should be **rejected** and the customer shall notify the company of the same. Liability cannot be accepted if this procedure is not followed. **Note** delivery notes or PDA's marked '**goods received unchecked**' does not absolve the recipient from liability in the event of subsequently discovered damage.

ii/ The company accepts no liability for any damage to goods in transit unless notified to the company and the carrier concerned within twenty four hours after delivery.

iii/ The company's liability for damage in transit or non-delivery of goods duly notified to it in accordance with the above, shall in any event be limited solely to replacement of the goods within reasonable time, whether non-delivery or damage is due to the company's negligence or otherwise.

6. CLAIMS Subject to the provisions of condition 5, all claims for goods alleged to be defective must be made in writing to the company within seven days after the date of delivery. When notification is so received the company may require return of the goods or for the goods to be made available for inspection for the company. Should the company be satisfied as to the defects then it retains the option to either replace the defective goods within a reasonable time or credit the customer with the contract price. All defective goods so returned shall be the property of the company. Except as provided above, the company shall have no liability whatsoever arising out of any agreement to sell or sale of goods including claims for direct consequential or other loss, damage or expense, whether arising or alleged to arise under any warranty statement, conditional term expressed or implied, statutory or otherwise, or in negligence or alleged negligence on the part of the company or otherwise. In no circumstances shall the company be liable for loss or damage in excess of the contract sale price.

7. CANCELLATION AND VARIATIONS

i/ Cancellation of an order cannot be accepted or goods returned for credit unless previously agreed to in writing by the Seller and in the case of goods returned for credit proof of the original purchase is provided in the form of a delivery note or invoice.

ii/ No variation of any order shall be binding upon the Seller unless the same shall be agreed in writing

iii/ If the Seller agrees in writing to accept the return of stock items, a charge of 30% of invoice price will be made, such sum representing a reasonable pre-estimate of the seller's average costs of collection and administration. Stock items means items normally held in stock by the seller.

iv/ Items specially ordered or manufactured or not normally held by the Seller as stock will not be accepted for return or credit.

v/ Any goods accepted by the Seller for credit must be returned in re-saleable condition.

8. RISK AND TITLE (a) Risk of loss or damage to the goods shall pass to the Customer at the time of delivery.

(b) The legal and beneficial ownership of the goods shall not pass to the Customer until payment in full of all sums due and owing by the Customer to the Seller in respect of the goods is received.

(c) If at the time when legal and beneficial ownership of the goods would otherwise pass to the Customer under sub-Clause (b) of this Clause sums are due and owing by the Customer to the Seller otherwise than in respect of the goods then legal and beneficial ownership of the goods shall not pass to the Customer under that sub-Clause until payment in full of all such other sums has been made by the Customer.

(d) Until legal and beneficial ownership of the goods shall pass to it the Customer shall hold the goods as bailee for the Seller but shall be at liberty to transfer the legal and beneficial ownership of the goods at the normal course of trading. Pending legal and beneficial ownership passing to the Customer, the Customer shall keep the goods in good condition and in such manner that it can readily be identified as the property of the Seller. Proceeds of any sale of the goods shall be paid into a separate bank account opened by the Customer. (e) The whole of the price for the goods shall not be treated as paid until the cheque, bill of exchange or other instrument of payment given by the Customer has been met of presentation or otherwise

honoured in accordance with the terms. The Seller may sue for the whole of the price at any time after it has become payable.

(f) Payment shall be applied to the invoices in the order in which they were issued and to the goods in the order in which they are listed in invoices save where the Customer shall specify otherwise in writing to the Seller at the time

of payment. In the case of any doubt as to the order in which invoices were issued a certificate by any Director of the Seller as to the order in which they were issued shall be binding on the Seller and the Customer.

(g) If the Customer sells or disposes of the goods in the normal course of trading before the Price is paid, the Customer shall, subject to sub-Clause (h) of this Clause, hold on trust for the Seller:

(i) If the goods had not been attached to other goods, the whole of the proceeds of sale;

or

(ii) If the goods had been attached to other goods, such proportion of the proceeds of sale of the sale of the other goods as represents the cost to the Customer of the goods supplied by the Seller attached thereto.

(h) The trust declared in sub-Clause (g) shall be void if and to the extent that a trust in the like terms arises by operation of law in favour of the Seller. The Customer hereby irrevocably appoints the seller as its attorney for the purpose of perfecting the Seller's title to any such proceeds of sale referred to in sub-Clause (g) of this Clause.

(i) The Customer shall not:

(i) pledge the goods or documents of title thereto to allow any lien to arise thereon;

(ii) deal with or dispose of the goods or documents of title thereto or any interest therein otherwise than in the normal course of trading.

(j) If the Customer defaults in the punctual payment of any sum owing to the Seller then the Seller shall be entitled to the immediate return of all the goods sold by the Seller to the Customer (or the documents of title thereto) in which the legal and beneficial ownership has not passed to the Customer, and the Customer hereby authorises the Seller to recover the goods or documents and to enter any premises of the Customer for that purpose. Demand for or recovery of the goods or documents by the Seller shall not in itself discharge either the Customer's liability to pay the whole of the price and take delivery of the equipment or the Seller's right to sue for the whole of the price.

(k) If any provision or part of the Clause should be held unenforceable or in conflict with the law of any jurisdiction any part so held unenforceable or invalid shall be severed from this Clause and the enforceability and validity of any other parts or provisions of this Clause shall not be affected by such severance.

9. INSOLVENCY OF BUYER

a/ The Buyer makes an involuntary arrangement with its creditors or (being an individual or firm) becomes bankrupt or (being a company) becomes subject to an administration order or goes into liquidation (otherwise than for the purpose of amalgamation or reconstruction) or

c/ the Buyer ceases or threatens to cease to carry on business or

d/ the Seller reasonably apprehends that any of the events mentioned above is about to occur in relation to the Buyer and notifies the Buyer accordingly.

ii/ If this clause applies then, without prejudice to any other right or remedy available to the Seller, the Seller shall be entitled to cancel the contract or suspend any further deliveries under the contract without any liability to the Buyer and if the goods have been delivered but not paid for, the price shall become immediately due and payable notwithstanding any previous agreement or arrangements to the contrary.

10. PAYMENT For the purpose of this Clause the due date shall mean the date on the invoice. Payment is expected 30 days from the invoice date. Where payment in full is not made by the due date the company reserves the right to charge interest at the rate of 1.8% per month from the due date to the date of receipt of the monies outstanding.

11. ADDITIONAL DELIVERIES Where the company has been obliged to make an additional delivery of the goods to the premises specified in the contract due to the failure of the customer to accept the delivery of the goods, the company reserves the right to make a charge for such additional delivery, unless the company has failed to meet a specified time and date of delivery agreed in writing by the company and the customer. Any proposed delivery date specified on this invoice or on a sales order does not constitute such agreement in writing.

12. INTERPRETATION Any agreement between the company and the purchaser shall be subject to and governed by the domestic law of England and the jurisdiction shall be the courts of England.

12.1 In the event of the Seller assigning its rights under this contract, the Buyer shall not be entitled to raise any counterclaim or set-off the Buyer may have against the Seller, against the assignee in answer to any claim for payment by the assignee.
