## Range of Component Twin Wall Flue Pipe Colour Options:

For internal applications we offer a heat resistant, textured matt black finish, which can be installed right down to your stove or fireplace.

All external components in the Professional XQ™ range can be powder coated to virtually any colour of your choice.\*

- **Matt Black and Satin Black** components and prices are shown on pages 5 and 6;
- **Satin White and Gloss Black finishes** = Stainless Steel prices + 25% surcharge;
- **Any other chosen RAL colour** = Stainless Steel prices + 25% surcharge + a one off colour matching charge per shade of £65.00 nett\*\*.

For all coloured pipe there will be a lead time of 10 – 15 days. Please contact Stovax Customer Services on 01392 474040 for further details.

\*Can be colour matched to any RAL colour. However, powder coated components are only heat resistant to 200°C, and therefore are not suitable for internal use near to the stove.

\*\* Due to the bespoke nature of RAL colour matching, any flue pipe which has been RAL colour matched is non-returnable.

Please note that all prices listed are exclusive of VAT at 20%
